

Scenario:

When your son was in high school, you often received calls from school because he absented from his class and didn't do his homework. Since your son went to college, you never received one call from school, and you would like to figure out how he is doing in college.

Task 1: Search for your sons' name with a school match and check out how he is doing this semester.

Task 2: Back to the general to see the previews semester's grades.

Task 3: Under your son's profile, try to check if there's any comment from the professor.

Note:

What changes you should make to your application

1. Will add the major selection which identifies students easier.
2. Add the authority of students to protect students' privacy

What you need to keep the same for your application

1. The semester's selection which will clearly show how a student's grades each semester.
2. Professors comments.
